INFORMATION:

The data subject has the right not to be subject to a decision-making which is based exclusively on the automated processing of personal data, including profiling, and which has legal effects concerning them or similarly significantly affecting them. However, this does not apply if the decision-making is:

- necessary for the conclusion of the contract or the performance of the contract between the data subject and the operator,
- carried out on the basis of a special regulation or an international agreement by which the Slovak Republic is bound, and in which appropriate measures guaranteeing the protection of the rights and legitimate interests of the data subject are also established, or
- based on the explicit consent of the data subject.
