

In accordance with Regulation (EC) No 1223/2009, the placing on the market of a cosmetic product in the European Union is conditional on its notification on the CPNP (Cosmetic Products Notification Portal).

RUVIREX SAFE and RUVIREX GEL are registered on the CPNP portal as cosmetic products on 1.12.2020. They have been assigned reference numbers:

3519854 – RUVIREX SAFE

3518154 – RUVIREX GEL

Extract from the CPNP database:

The screenshot shows the CPNP (Cosmetic Products Notification Portal) interface. At the top, there is a navigation menu with options: Produkty, Distribúcia, Nanomateriály, Kontaktné osoby, Admin, and Užitočné odkazy. Below the menu, there is a search bar and a table displaying two entries. The table has columns for CPNP Ref., Product Name, Responsible Person, Category, Formulation Name, Ver sio, 1st notification date, and Status. The first entry is for RUVIREX SAFE (Ref. 3519854) and the second is for RUVIREX GEL (Ref. 3518154). Both are categorized as 'Other skin products' and 'Other Hand Care Products' respectively, with a status of 'Notified'.

CPNP Ref.	Product Name	Responsible Person	Category	Formulation Name	Ver sio	1st notification date	Status
3519854	RUVIREX SAFE	RUVIREX a.s.	Other skin products	Other Skin Products	1	2020/12/14	Notified
3518154	RUVIREX GEL	RUVIREX a.s.	Hand care products	Other Hand Care Products	1	2020/12/14	Notified
